## EST DISTILLERY 1935

### HEAVEN HILL BOTTLED-IN-BOND

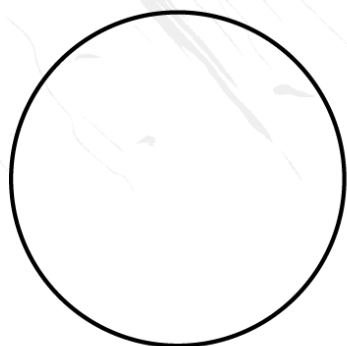

**Style:** Bourbon  
**Proof:** 100

#### Whiskey Facts

- This Kentucky Bourbon pays tribute to the earliest days of our distillery's history, when in 1939 we released our first Bottled-in-Bond.
- Aged for seven years, this Bourbon exceeds the exacting standards set forth in the Bottled-in-Bond Act of 1897.
- Heaven Hill Distillery is extremely selective when crafting this Bourbon, waiting until just the right barrels have matured.

### MELLOW CORN

**Style:** Corn Whiskey  
**Proof:** 100

#### Whiskey Facts

- This corn whiskey is distilled from a mash of at least 80% corn and aged for four years in a once-used Bourbon barrel.
- Aging in a used barrel gives the spirit a lighter straw color instead of the deep amber created by newly charred oak barrels.
- Heaven Hill Distillery is one of the few remaining producers of this unique style.

#### Tasting Notes

**Color:** Pale straw  
**Aroma:** Oak and delicate spice  
**Taste:** Full-bodied and textured, with a softly spiced sweetness  
**Finish:** Sweet and chewy like a Barbadian Rum
